**The mission of the Raincoast Education Society is to help shape an environmentally sustainable future for the Clayoquot and Barkley Sound region through education and community stewardship.**

## **We are also working hard on our ongoing education and research programs!**

A few highlights below, visit our [website](#) for more!

### **Raincoast Field School**

Increasing outdoor learning opportunities for students in our local public schools.

### **Fukushima InFORM**

Sea water sampling in Clayoquot Sound to monitor levels of radiation.

### **Shorebird Tracking**

Researching the patterns of residency and habitat use in the Tofino area.

### **Ecology Tours**

Guided walks to explore the diversity of flora and fauna in our region.

**Thank you to everyone who supports the Raincoast Education Society.**

We are very thankful for your commitment to our work. We would not be able to do it without each and every one of you.
