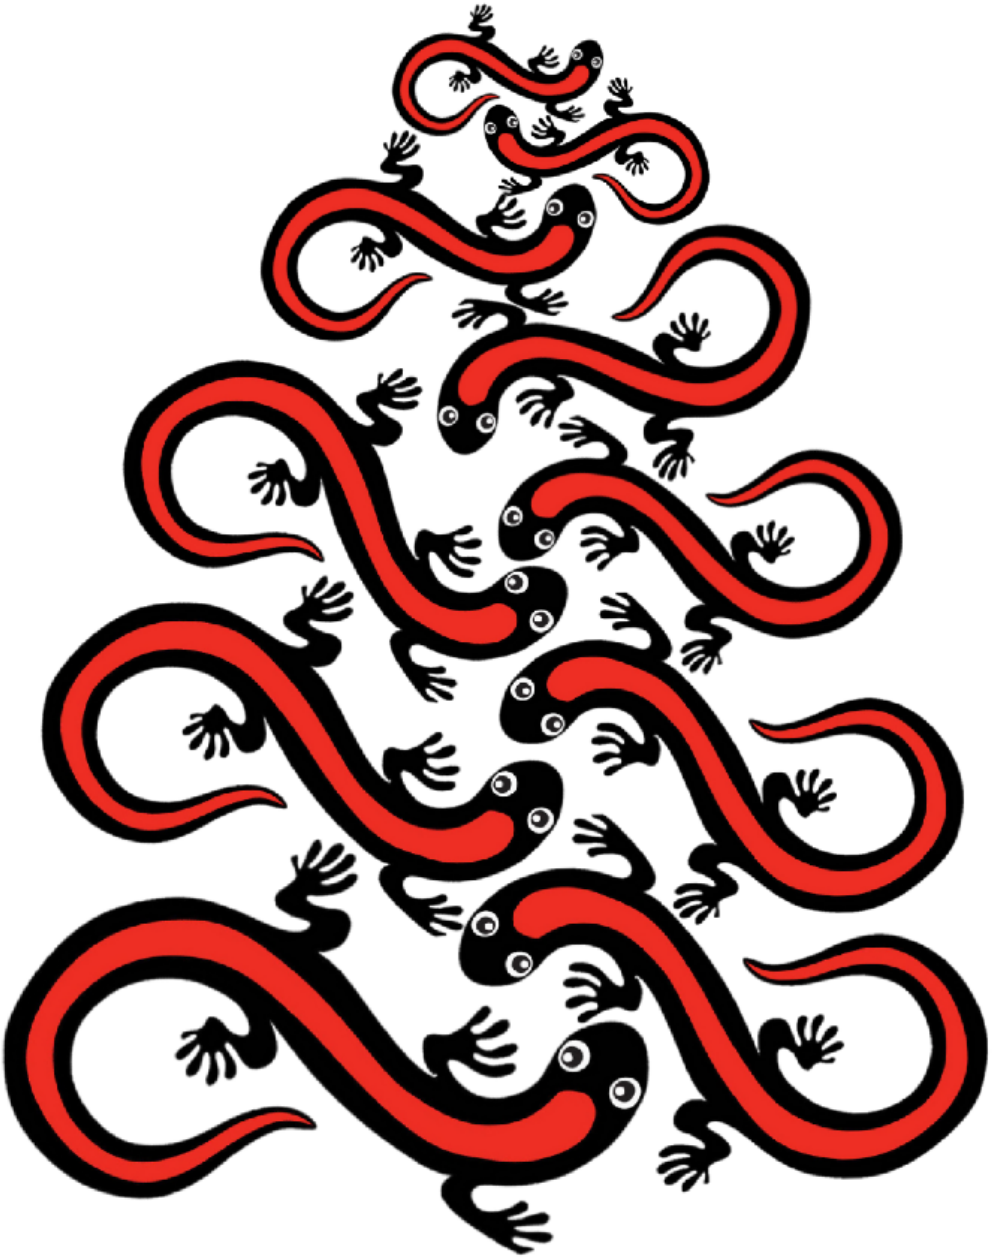
EDUCATION SOCIETY

Happy Holidays!

Happy Holidays from the team at Raincoast Education Society. We thank you for your support!



As we move into the New Year we are excited to announce many new programs and courses. Details to come, check out our events calendar as we add our programs for the 2020 season.

(Program Registrations make great gifts!)

What's New

Raincoast Field School Videos

The first semester of Raincoast Field School was a busy one. Our instructors in Tofino and Ucluelet led many educational, hands-on field trips.

Want to see just what we got up to?

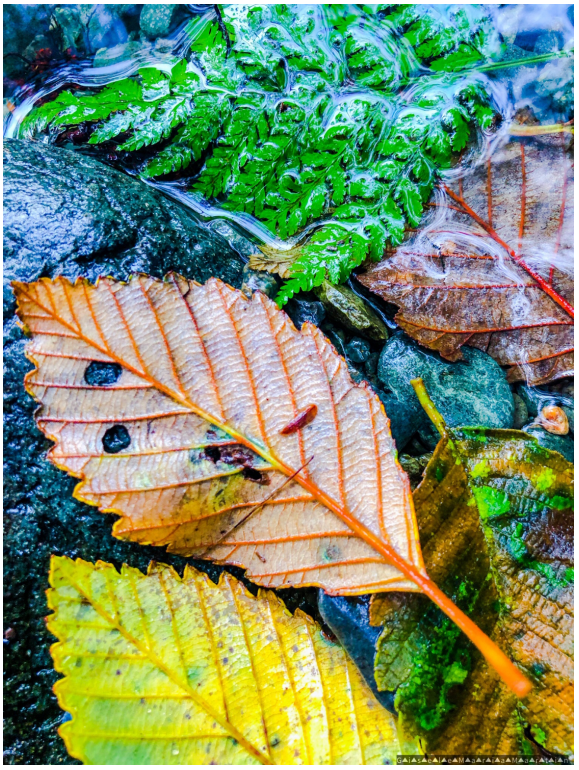
Past Programs

Language and Culture

Nuučaanuł /Nuu-chah-nulth Leaves & Language

This fall we offered a new series of free events. Leaves and Language was a huge success with between 20 and 30 participants at each of the four sessions. We would like to thank Gisele Martin for leading the sessions. She introduces sounds and phrases in a way that is accessible and fun. ʔUuščakšiƛʔick (thank you)!



Raincoast Institute

Mushrooms of the West Coast

The 'mushrooms course' is one of our most popular. It's so much fun to wander the woods in search of edible treasure! Check out the photo album to see what we found.

Our 2020 series of Raincoast Institute courses is in the planning phase and we are securing the expert instructors that make these weekend intensive

courses such an amazing experience.

Check the events calendar for details, registration required, courses begin April 2020.
