

Raincoast Field School @ home: “Whale Migration” Raincoast Challenge (K-3)

After viewing our online lesson, try out this fun challenge to further improve your learning!

Send a postcard to all your friends at school!

Challenge #1: Download or draw your postcard template!

Use the template in this document, or draw your own!

Challenge #2: Be an artist!

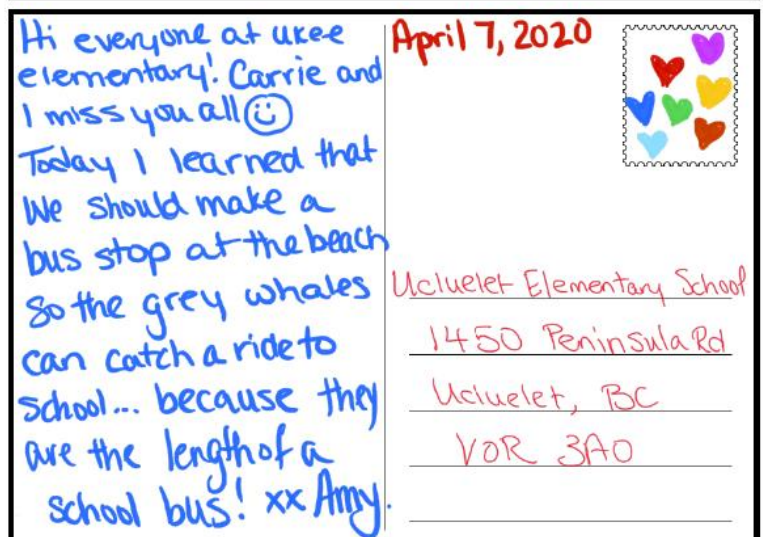

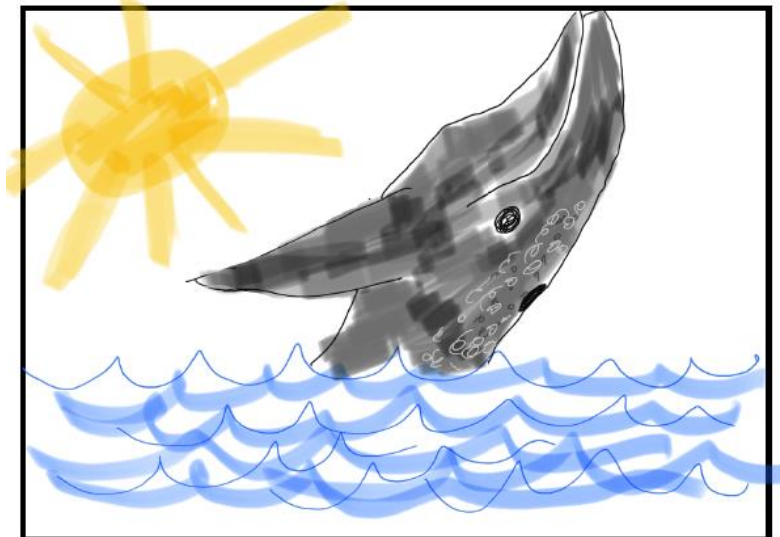

Draw your favourite whale.
Address it to your class at school.
Write them a note telling them something you learned about whales today!

Challenge #3: Send it to us!

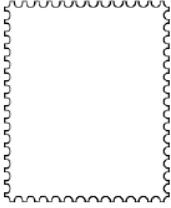

Post it in the comments section of today's video lesson on facebook, or post it on social media using the hashtag #raincoastfieldschool

Challenge #4: Check out your friends' postcards to YOU!

View all your friends' postcards on Facebook, or on our website's Raincoast Field School @ home page under the hashtag #raincoastfieldschool
