

## Upcoming Programs & News

May 2020

### New Online Education Programs

**It's been a busy Spring full of learning!**

Social Distancing has challenged our team to come up with new ways of delivering our education programs. We have learned so much in the past few months navigating new formats for teaching. We hope you have enjoyed what we have produced so far.

You may have seen [Raincoast Field School @ home](#), a program for learners K-7 (but honestly even adults are enjoying it!). Last week we launched the [West Coast Ambassador Program](#). Keep reading to learn more about these awesome (free!) programs!

**The mission of the Raincoast Education Society is to help shape an environmentally sustainable future for the Clayoquot and Barkley Sound region through education and community stewardship.**

### **Adult Education**

#### **West Coast Ambassador Program**

All west coasters, new and old, are welcome to participate in this great, free initiative to expand their knowledge of the area and increase their participation in the communities of Ucluelet and Tofino.

Register online to participate.

### **Youth Education**

#### **Raincoast Field School @ home**

Taylor and Amy are bringing weekly lessons to our elementary students and

having fun doing it.

Each Tuesday join us for virtual field trips, experiments and fun! Dive deeper into the lesson by completing the Raincoast Challenge, an at home activity. Then, on Thursdays, join us on Zoom where Taylor and Amy answer questions and students can show their Raincoast Challenges to the group! Sign up to receive video links and zoom invites directly to your inbox.

## Changes to our Team

### **New Ucluelet Field School Coordinator**

#### **Welcome Amy!**

Amy enjoys sharing her passion for coastal rainforest and marine ecosystems with her students, and as a lifelong learner, is always striving to deepen her knowledge of natural history. Amy has been working as a Teacher-on-Call in Ucluelet for the past year and looks forward to combining many of the elements that she enjoys most about working as both a teacher and outdoor educator. She is excited to be joining the team at the Raincoast Education Society!

**Thank you for your contributions**

## Carrie, We will miss you!

Carrie joined raincoast as the first Ucluelet Field School Coordinator. She built the program from the ground up - modelled after our very successful Tofino Field school program.

Carrie's professionalism and creativity in creating such a quality program in Ucluelet has not gone unnoticed. Thank you Carrie for your positive and lasting impact in our organization and community, we wish you all the best!

**Thank you to everyone who supports the Raincoast Education Society.**

We are very thankful for your commitment to our work. We would not be able to do it without each and every one of you.

All the best,  
**Stefania**, Communications Director
